

# *Paying for your dental care just got a little less painful*

A UF employee payroll deduction option allows you to pay for dental care with *interest-free payments over time* at most UF College of Dentistry clinics

## **Eligible for this benefit:**

- UF faculty and staff who are halftime or more (TEAMS and USPS), and their dependents.
- New or current patients.

The college clinics offer a full range of dental services including: cleanings, fillings, crowns, bridges, root canals, braces and Invisalign, gum treatment, implants, plus specialized services including oral and maxillofacial surgery, and oral cancer screenings and treatment.
